

## Chairman's Remarks

### Dear Members,

The committee has put together this interim newsletter to let you know that we are thinking of you all and wishing you and your families well. It is a difficult time for all of us being distanced from our loved ones and forgoing our normal routines. We just have to hope that if we support each other and follow the guidance that we will soon be together again.

Our speakers who were booked over the next few months have agreed to reschedule for next year so that is something to look forward to.

With very best wishes to you all; take care,

*Carol Owens*

Chair

## Next Speakers' Meetings

To be advised.

## Groups' News

These are extremely difficult times for everyone and many of us feel very alone however if we can help each other by making contact either by email or telephone I am sure it would be appreciated. If you would like to talk to someone please feel free to give me a call. I have kept my distance but managed to see some of you when you are out shopping or exercising as I take Peggy Sue my dog out every day. Living in a flat with no garden this is a must but like you I am at home for the rest of the time.

We will see this through and hopefully be able to meet up again soon.

Best wishes

Sue Lewton Groups Co-ordinator 01803 658051

All Interest group meetings have been suspended but we encourage group leaders and members to keep in touch with each other by email, phone or other social media.

## Subscriptions

Those members who have paid their membership, AND the cheques have been cashed, funds will be held over until we restart our activities again.

Those members who have sent cheques and the cheques have NOT been banked, these will be held until we reopen before they are presented for payment at the bank.

Those members who sent SAE with their renewal form should have received their new membership card by post, and those, who have paid, but did NOT send a SAE, their membership cards will be kept until we restart our activities.

Those members who have NOT had their renewal forms, don't worry, these are awaiting our re-opening, and will be available for you!!

Once the group get the 'go ahead' to restart activities, the committee will come to a decision regarding membership fees, and we will all then be 'on the same song sheet together'.
