

Chairman's Remarks

Dear Members,

With the ever changing guidance over the past few days and the recommendation that the over 70s and others should practise Social Distancing and Self Isolation, the committee has taken the decision to postpone the AGM which was due to be held on Tuesday 21st April.

We will keep you informed as to when it will take place later in the year. We did not take this decision lightly but our priority must be to keep our members safe and well. The current members of the committee have agreed to remain in situ until we can hold the AGM.

We will do our best to keep you informed and all decisions will be made based on Government and U3A National Office guidelines/instructions.

With best wishes,

Carol Owens

Chair
